Pistol Shooting Queensland is the peak body for the sport of Pistol Shooting in Queensland and offers 15 different events for men, women, junior men and junior women. Events for disabled athletes are included in our programs.

Our 48 clubs host events ranging from Commonwealth Games and Olympic events in the ISSF disciplines to World Championship events such as WA 1500, International 1920 Match and Metallic Silhouette.

This Association and our clubs conduct club events, Open, Zone and State Championships as well as regularly staging National Championships for our national body, Pistol Australia.

Through our affiliation with Pistol Australia our affiliates are linked to the peak body for shooting sports in Australia: AISL (Australian International Shooting Ltd).

Pistol Shooting through QAPSA Ltd can take you to the very top of our sport. We are the only Queensland Pistol Shooting Association which can give a pathway to the Olympics, Paralympics and Commonwealth Games.

For those preferring otherwise it can be a sporting activity at Club or interclub level, with a competitive but social aspect. Contact us for relevant details regarding a club in your area.

The sport of Pistol Shooting is challenging and requires focus and discipline, but is one which you can make 'A Sport for Life' from the age of 11 years to ..... ?

Pistol Shooting is a great sport for the young and old, able and disabled and men and women, to any level desired.
